

I think I would miss tomatoes.

What the hell are you talking about?

HINDSIGHT

STORY AND ART
BY SEAN TIMM

You know all those old clips where they cut a tomato to show how sharp a knife is?
I think I would of liked tomatoes and I would miss em.

Thanks. I'll be sure to keep that in mind.

Oh come on...

You're saying that digging through all this crap you don't sometimes have thoughts like that?

No. Pretty sure that's just you.
